

Community Listening Session

Improving Care for Pregnant and Postpartum Women with SUD in Cameron County

Alcohol & Drug Abuse Services (ADAS) and **Jewish Healthcare Foundation** are hosting a community listening session to **explore effective local strategies for improving care for pregnant and postpartum women with substance use disorders and their newborns.**

Insights will inform initiatives through the Pennsylvania Perinatal Quality Collaborative, which partners with hospitals to enhance maternal and neonatal care.

We look forward to hearing from:

- Moms in recovery
- Healthcare providers (physicians, PAs, nurses, MAs, or social workers)
- Midwives
- Doulas
- Peer support specialists
- Community health workers
- Community service organizations
- Substance use service providers
- Emergency service providers
- County administrators
- Case managers
- Health plans

Gift cards will be provided to the first six moms in recovery who attend in-person to help compensate for time and travel. Food and beverages will also be available.
